**FOREWORD**

**Educational Harmony: International Journal of Education and Mathematics;** This journal is intended for the publication of scientific articles published by the International Forum of Researchers and Lecturers. This journal contains studies in the fields of education and social sciences, both theoretical and empirical. The focus of this journal is on the study of Biology Education, Mathematics Education, Physics Education, Chemistry Education, Natural Sciences (Science) Education, Other Mathematics Education that has not been listed, Other Mathematics Education that has not been listed. This journal is published 1 year 4 times (**March, June, September and December**)

**Educational Harmony: International Journal of Education and Mathematics** publishes the only paper that strictly follows the guidelines and template for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by editorial members (according to their area of specialization) and will be screened by the Managing Editor to meet the criteria required for publication. The manuscript will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their area of specialization. **Educational Harmony: International Journal of Education and Mathematics** has reviewed the form to keep the same items reviewed by two reviewers. Then the editorial board makes a decision based on the reviewers' comments or suggestions.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature studies, case reports and concept or policy articles, in all Biology Education, Mathematics Education, Physics Education, Chemistry Education, Natural Sciences (Science) Education, Other Mathematics Education. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. The deepest appreciation and thanks to Mitra Bestari together with members of the Editorial Board and all parties involved in publishing this journal.

Regards,

Chief Editor
